action there is! Take
it all in!

ADULTS ONLY

ALL MODELS ARE 18 OR OLDER.

ANAL MASTURBATION

You're feeling extremely horny tonight. Your body tingles with energy and your mind revs up some vivid, extended sexual fantasies. You're in bed with your college professor. You're sucking off a gas station attendant in the middle of the night by a desert highway. You're held captive by a big-dicked Latin American revolutionary. You're pinned on the ground, your ass cheeks spread apart by a tough leathermaster's coarsely gloved hands, and his fingers begin to explore your hole, rimming your warm buttock around and around and then forcefully sliding into the relaxed, ecstatic opening. Your butt stretches open as he teases the hole with the handle of his black leather whip, and he twists and turns the handle right up your unbearably hungry channel, and you squirm on the ground with pleasure. Deeper and deeper up into your intestines slides the flesh leather piece, and the leatherman begins a maddeningly slow stroke way up your butt, then all the way to the outer rim, twisting and turning it in your flesh-hole till you can barely stand it.

The stud quickens his pace with the whip handle and reaches it farther and farther into you, smashing against your prostate and charging your hard dick with incredible orgasm-like rushes of electric lust. The stud's got his black leather weapon right on the target now, turning and rubbing it against your helpless prostate, and your cum starts boiling up in your overheated balls, your dick throbs up to its biggest flex and the master finally pulls your cum trigger with a mighty shove of the whip handle against your burning butt target. The juice explodes out of your cock for a full minute, gushing and gushing more and more jets and streams of thick cum until your pain-wracked body feels sublimely and ultimately satisfied.

DILDO SUPREME . . .Pg. 28

BRAD'S

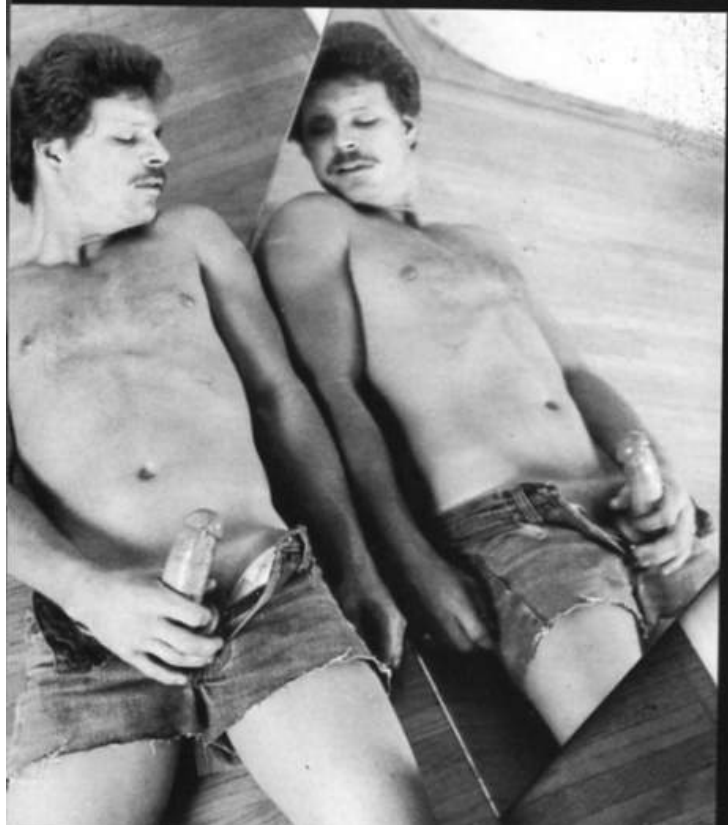

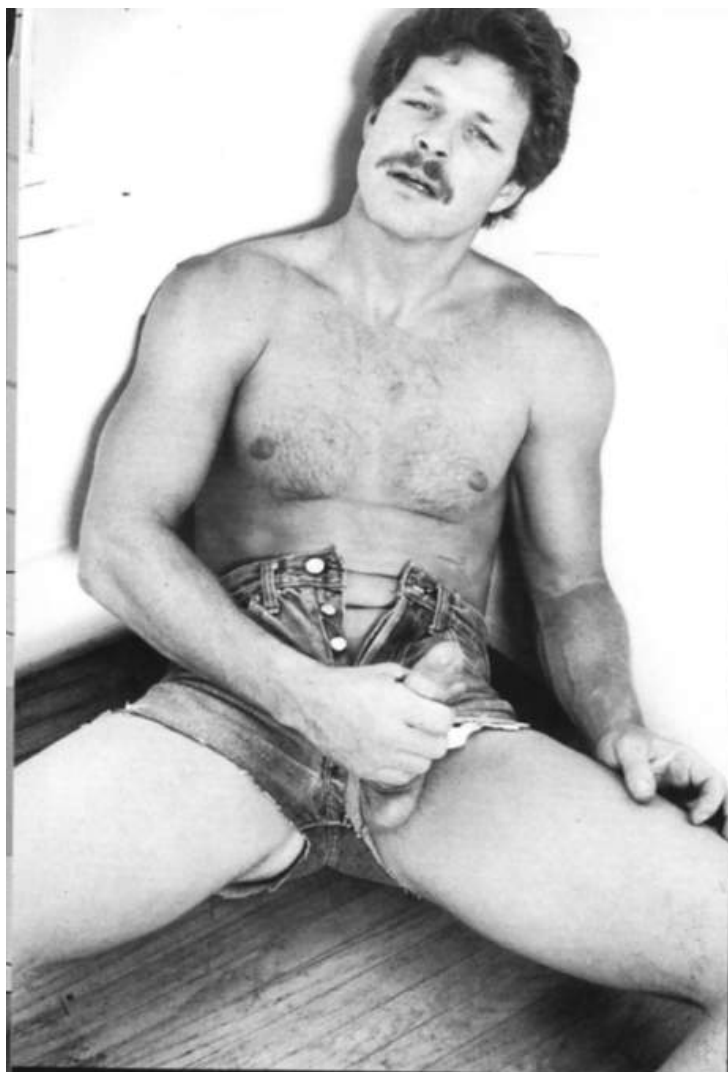

FAVORITE
BUTT TOY

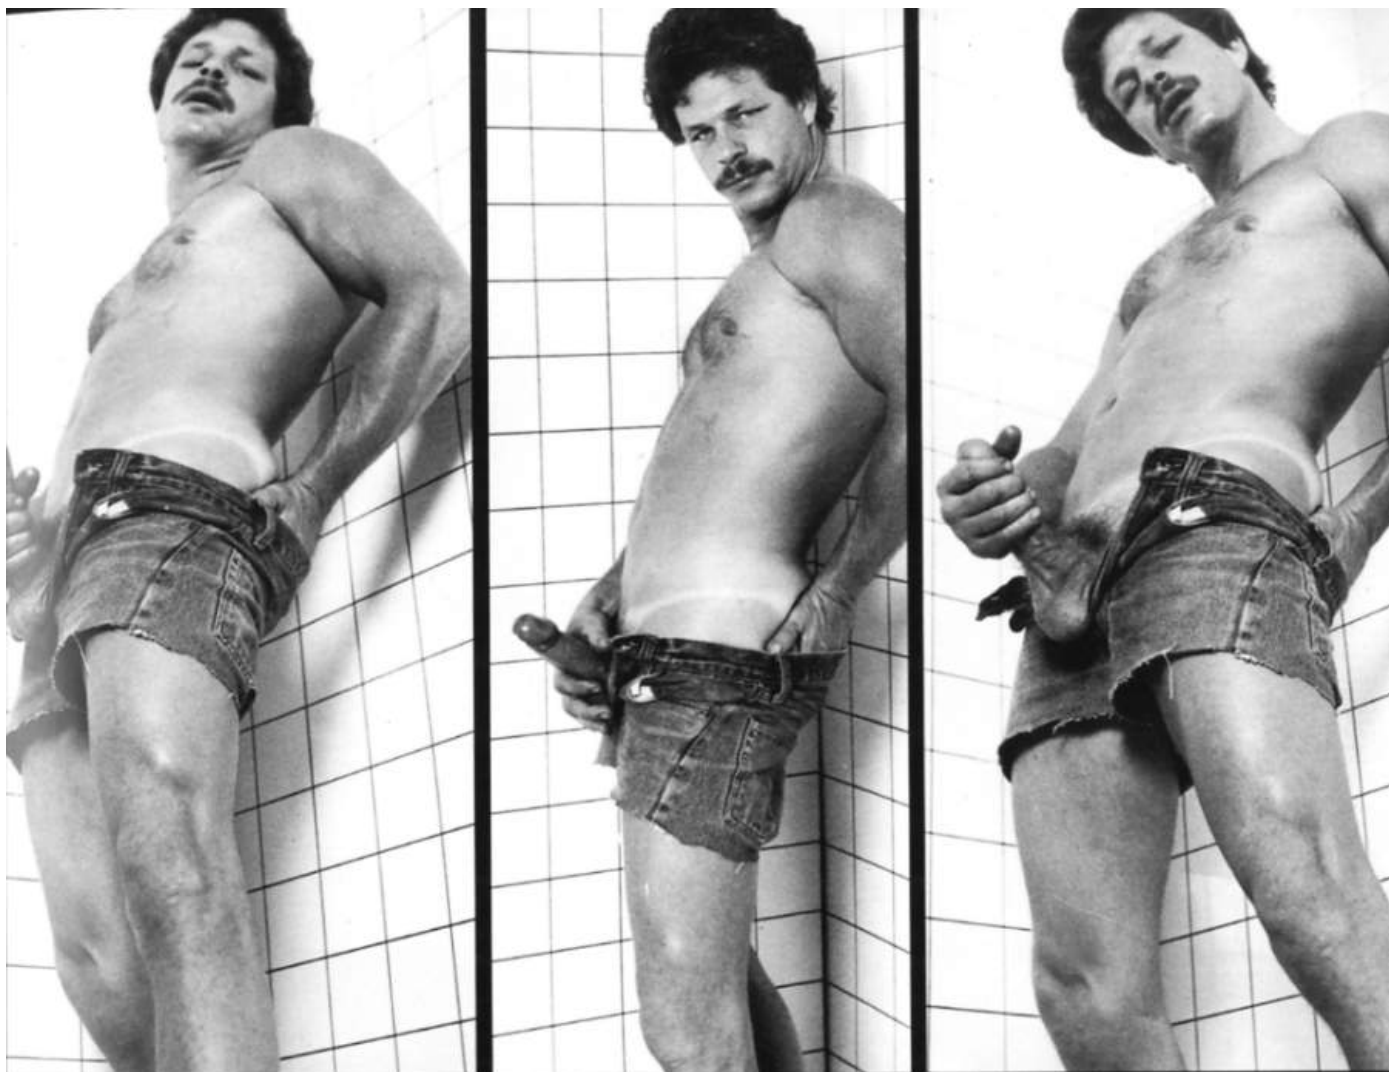

Brad unzips his shorts and out pops the fattest hardon he's seen in a long time: his own. He loves his shiny piece of

meat, especially when he has a few hours to play with it, like today.

He really gets turned on
by looking at his stiff rod
in the mirror, watching
himself pump the juicy
wet dick.

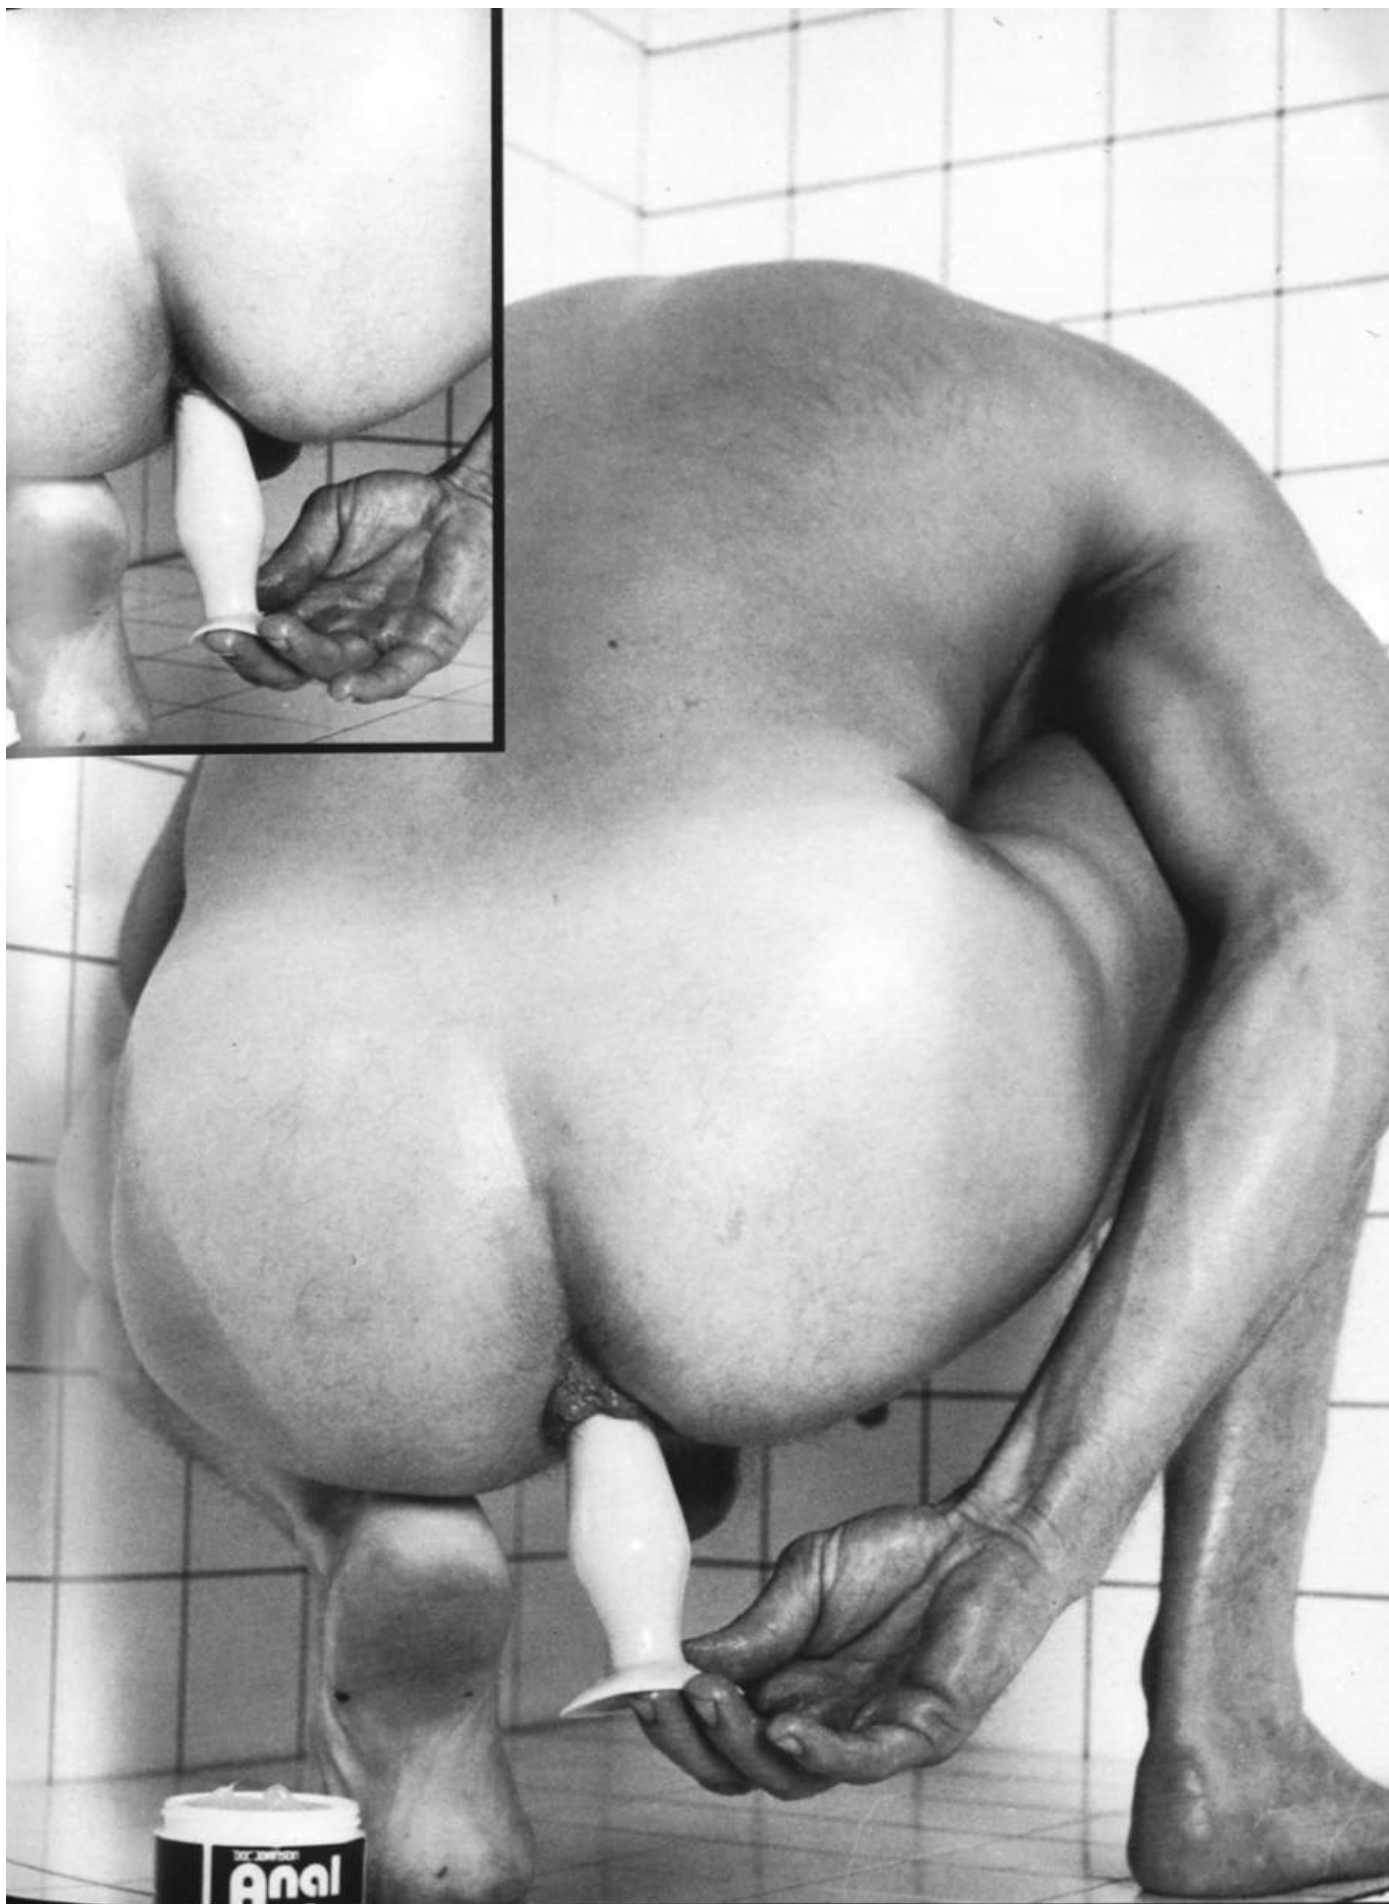

Slowly he starts to slide down the rough shorts, feeling his hard ass, getting himself even hornier as he searches for the hole.

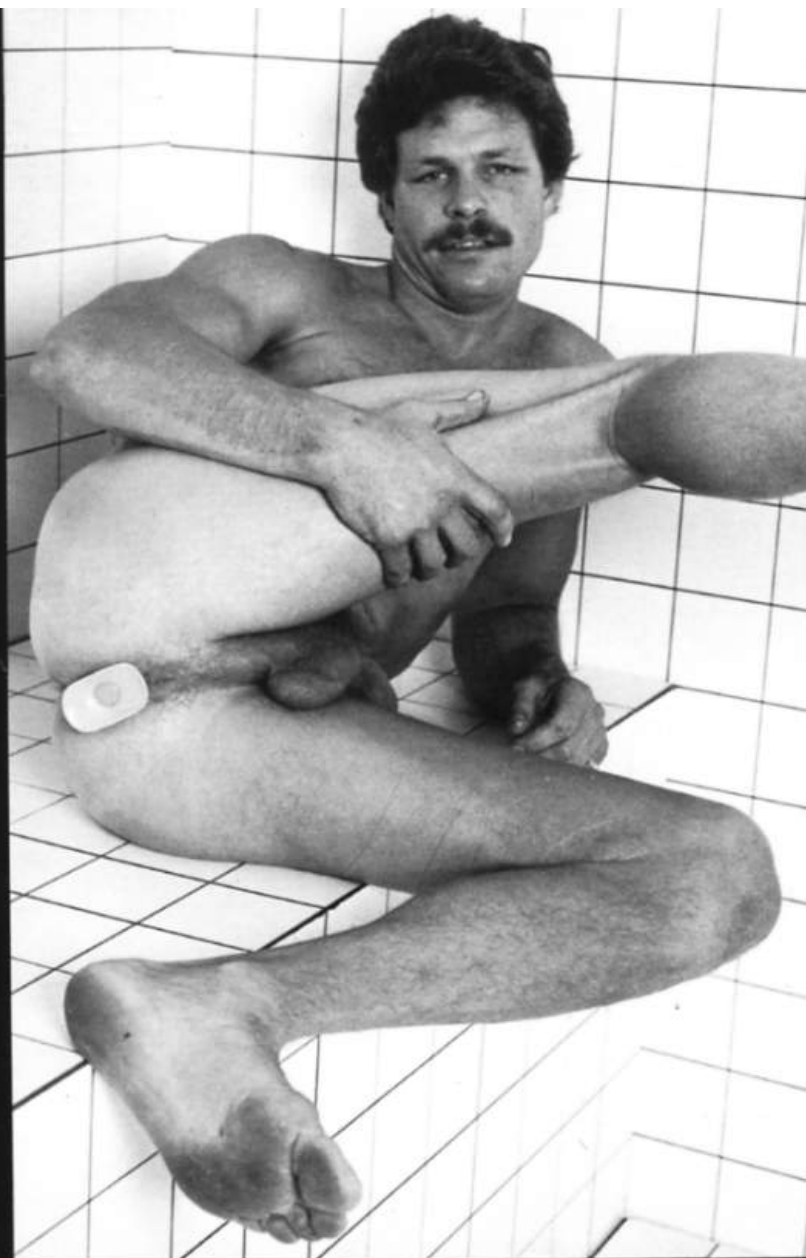

**It's time for Brad's toys.
He really likes the butt
plug up his asshole, and
only HE knows how to
do it right.**

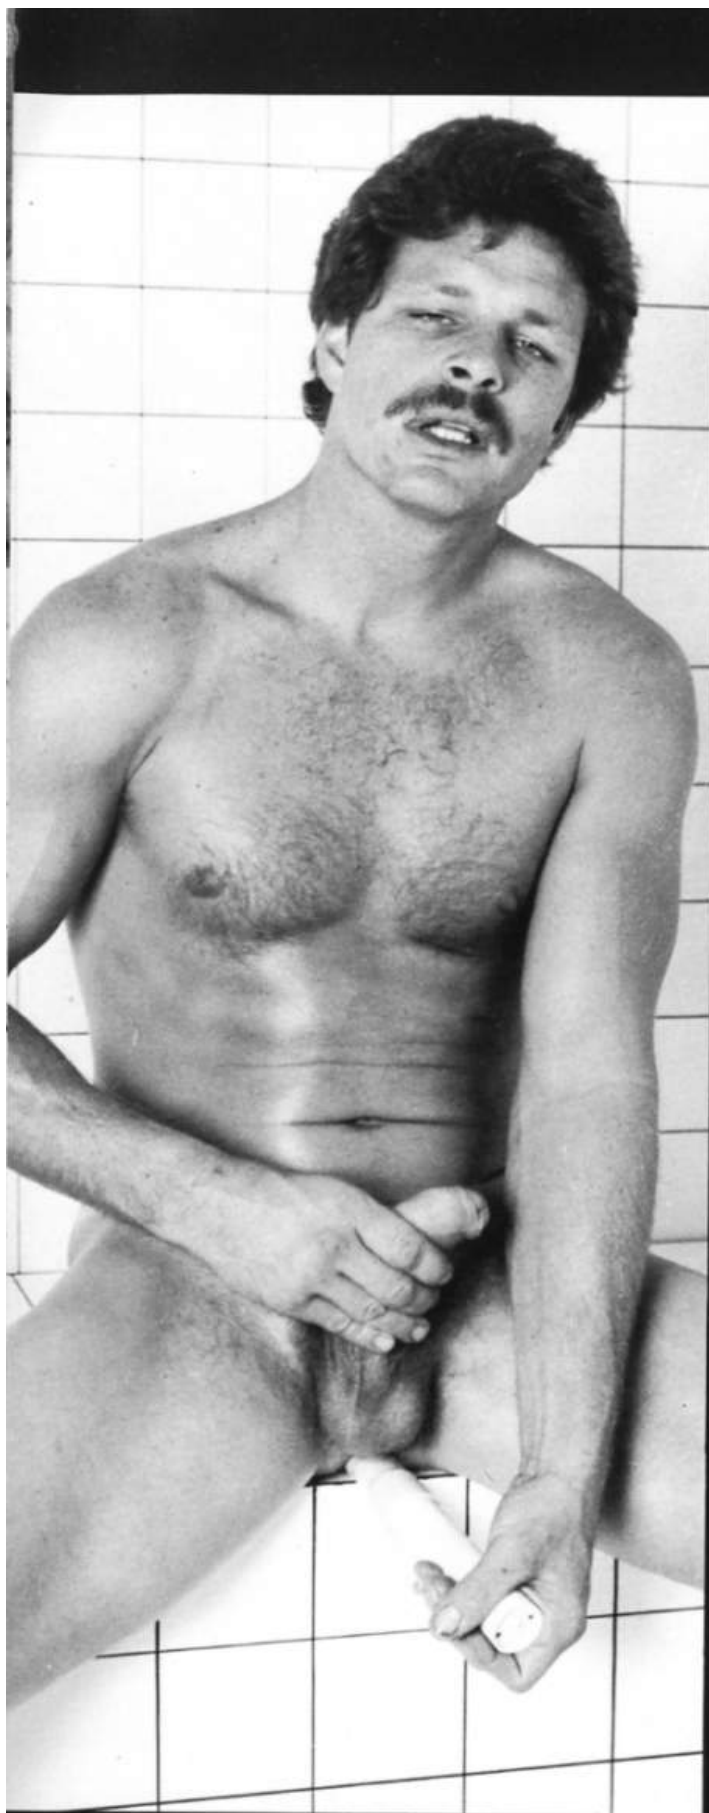

It's in . . . nice and slow
just the way he likes it.
Oooh, it feels so good
to have it sticking up
there, tingling his
prostate as he squeezes
his muscles tighter,
feeling the plug being
shoved even further with
each contraction.

**Primed by the plug, Brad's now ready
for his favorite vibrator. Into the
waiting asshole it goes arousing him,
while at the other end he pounds on
his huge dick.**

Deeper and deeper he fucks himself,
but now he adds another toy to
make him even hornier, this one for his
cock.

Legs spread, ass wide open and filled
with a long dong, cock hot and hard as
he gets closer to shooting his milky
wad.

Here comes the best
toy: the beads. The
sensation of each
one of them
plopping in stirs
Brad's juices to the
max. His jism is
ready to shoot

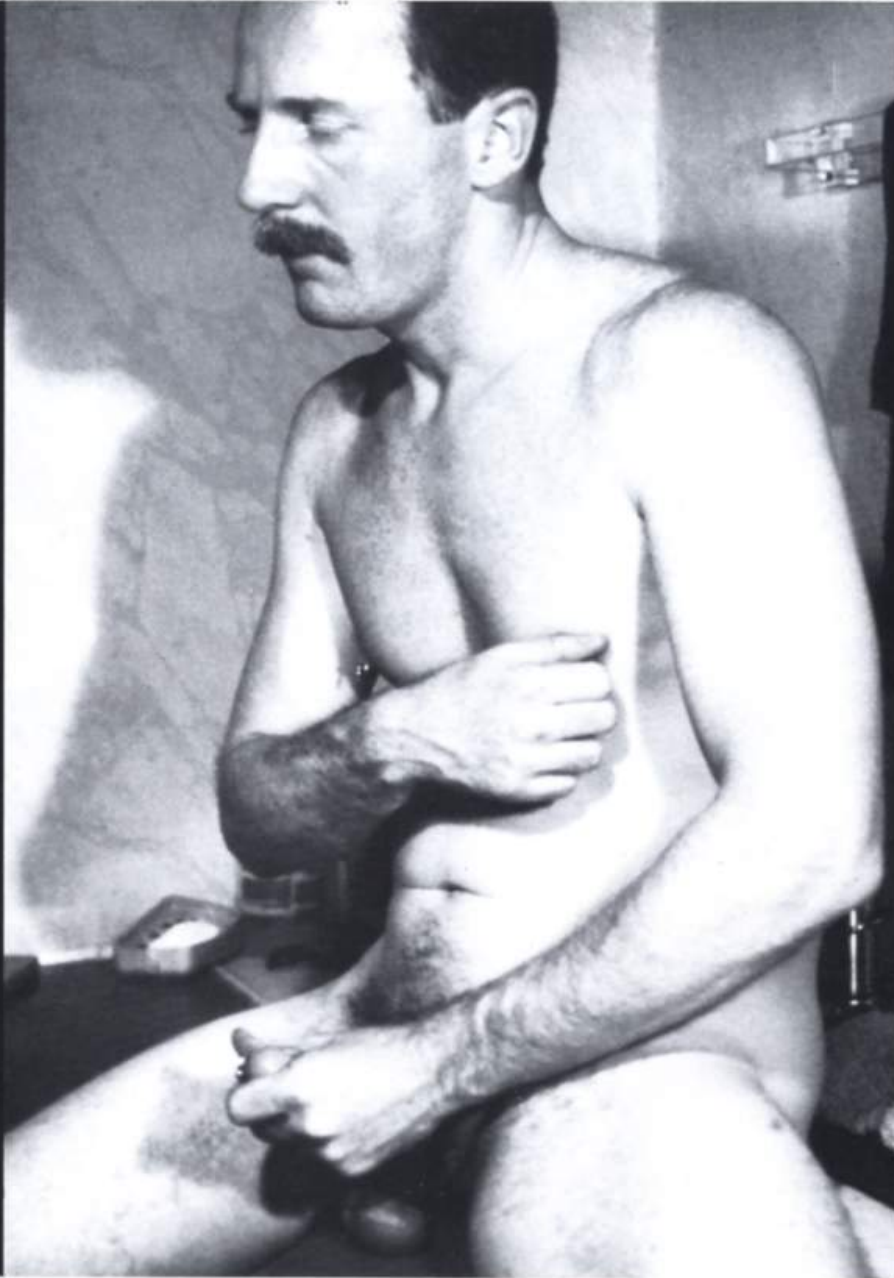

His throbbing cock spurts out the warm cumload all over his tummy. Slowly Brad pulls the beads out, ending another great jack-off session.
